Dear Landlord:

Orange County is aware that the pandemic has resulted in some tenants not paying rent. We are asking you to take a short survey so the County can assess the degree of the problem and develop some solutions.

If you are owed rent, please take the survey by scanning the QR Code with the camera on your mobile device or type the link into a web browser. If you provide us your email address, we will keep you informed on possible assistance.

This survey will close on 3/5/2021.

Thank you.
